

THE FRIENDS OF HOBBS FARM

"A FARM FOR ALL PEOPLE, A FARM FOR ALL TIME"

Membership Drive for 2009.

Membership fees are modest and designed to help create a long-term, sustainable, community-based financial foundation for the future.

Your membership enables us to:

- a) clearly identify individuals and families who support the work and vision of Hobbs Farm
- b) provide a regular financial base of support for the substantial overhead costs of maintaining a farm and education center open to the public. (insurance, water, electric, maintenance, etc)
- c) develop a number of member only benefits.
- d) monitor volunteer activities on the property.
(Only members can be permitted to participate in volunteer activities for liability reasons.)
- e) provide documentation of strong community support as we seek outside funding sources.

Fees:

Individual memberships	\$20 *	Family memberships	\$25 *
Student membership	\$10 *	Business membership	\$40

***** Financial difficulties will not exclude anyone from membership.
